An Introduction

Hon. Govindrao Adik Saheb

Founder, Foundation For Rural Integration,
Education And Nutritional Development Services (friends)
Former Minister, Maharashtra Government

Nelson Mandela once said, 'Education is the most powerful weapon which you can use to change the world'.

Late Govindrao Adik Saheb founded Ashok Public School in the year 1974 to provide good and modern education to the students in the rural areas of Shrirampur Taluka as he himself had to struggle a lot for education. In the year 2007 Ashok Public School was renamed as Ramrao Adik Public School and Junior College.

Ramrao Adik Public School and Junior College has been established to provide an inspirational environment to all its students and keep our commitment to give exposure for quality academics and activities within easy reach of the people of Shrirampur and it's Vicinity. Ramrao Adik Public School and Junior College is a vibrant and devoted community, committed to create the best possible educational experience for every child. We aim to enable all children to reach their full potential. We have talented, dedicated & caring team of staff ensure that the abilities of the children in our care are nurtured and carefully developed.

The School Welcome Address

Hon. Avinash Pushpalata Govindrao Adik

Managing Trustee, Foundation For Rural Integration,
Education And Nutritional Development Services (FRIENDS)
General Secretary and Spokesperson,
Nationalist Congress Party (NCP)

Dear Parent/Guardian/Reader,

The core aim of education is to provide young children with a learning environment which brings out the best in them. We believe that every child is blessed with a unique set of characteristics and capabilities, which need to be cultivated so that they blossom.

Ramrao Adik Public School and Junior College with over 50 years of excellence in education has always aimed at providing the best quality education. It has created benchmarks of finest education and is committed to providing a progressive education system. We aim to develop a future generation that takes pride in our heritage and culture, and also turn into excellent professionals and achievers. We provide not only Academics but also Sports, Performing Arts and Social Projects. Students will get guidance to explore them and will get opportunity to perform their skills in academics and beyond.

It is with this aim of offering brilliance to our students that we at FRIENDS have established RAPS that provides a free environment to young children wherein they can grow, learn and practice to their potential, imbibing in them the cultural benevolence, exploring latent talent and developing a strong respect for our Culture & Nation.

From recruiting highly skilled teachers to offering the best educational programmes, great care is taken to assure that the students get nothing short of the best.

Hon. Avinash Pushpalata Govindrao Adik

The School Welcome Address

Hon. Ms. Anuradha Pushpalata Govindrao Adik

Trustee, Foundation For Rural Integration,
Education And Nutritional Development Services (FRIENDS)
President, Shrirampur Municipal Council

Dear Parent/Guardian/Reader,

Education is not a destination but a journey in itself that turns an entity into a human being which is the biggest need of the hour. The core purpose of education is to provide children with a learning environment which brings out the best in them. We believe that every child is endowed with a unique set of attributes and abilities, which needs to be nurtured so that they blossom. Therefore, every child deserves an education that fosters academic excellence and all-round development, and ensures their well-being. We are inspired by these tenets in everything that we do at Ramrao Adik Public School and Junior College.

We, at Ramrao Adik Public School and Junior College, look at children as individuals and not as a class. We groom and nourish each child independently, for all require distinct attention. We build an atmosphere where each child explores multiple activities, and experiences challenges to find his/her own strengths. Life demands a healthy and intelligent mind, with a healthy body. Our curriculum has been especially designed to make it inclusive; where physical, emotional and mental needs are equally significant. Unlike the traditional method of teaching, where the focus is on the trainer, our approach is learner-centric. We maintain a democratic and participative culture with mutual respect and appreciation for individual values. There is a constant endeavour at our end to keep ourselves at par with the ever changing environment. Various orientation workshops are held at regular intervals for teachers to absorb the vision, align with the values and take ownership for our mission and the curriculum.

The school, next to the family, takes special responsibility in equipping children with the right attitude and skills that would help them become winners. Modern infrastructure, continuous realignment of curriculum, pedagogy and committed and skilled teachers are the ingredients of Ramrao Adik Public School and Junior College.

As a concerned parent, your search for an effective collaborator to attend to your child's scholastic and versatile needs concludes at Ramrao Adik Public School and Junior College

Ramrao Adik Public School & Jr. College of Arts & Science, offering a choice between Residential, Boarding and Day Scholastic programmes. Established to make children well-rounded and self-dependent individuals, the school has been constructed on a sprawling campus with splendid infrastructural facilities in a tranquil and pollution-free environment. RAPS has been ranked as the No.1 Day cum Boarding School in Shirampur in the Education

The entire gamut of activities in RAPS reflects its objective of nurturing young children and making them responsible adults who can make a positive contribution to the world. A comprehensive academic and co-curricular programme, experienced faculty members, personal attention & care, and state-of-the-art infrastructure collectively ensure that the education a child receives at Ramrao Adik Public School & Jr. College of Arts & Science, Shirampur is holistic and truly international.

Our Vision

To make our students well-rounded and self-dependent individuals, by inculcating in them a passion for life-long learning, compassion and respect for others and a set of requisite skills and qualities so that they can make a positive contribution to society.

Mission Statement

Ramrao Adik Public School will provide its students with a holistic education, imparted by caring and dedicated faculty members in a contemporary learning environment, by focusing on developing the cognitive, emotional, social, physical, creative and spiritual potential of every child.

The School Motto

The School's motto, "Ingenio et Labore", is a Latin phrase that means 'by natural ability and hard work'. Students at Ramrao Adik Public School will learn to recognize and respect their natural abilities, and will nurture them to reach their maximum potential through hard work and determination.

The School Emblem

The School's Emblem exemplifies the School's vision, mission and motto. The design is inspired by that of a 'prism', a transparent optical element used to split light into its constituent colours.

On the surface, every child entering the School might appear similar, but our focus is on identifying and nurturing the uniqueness of every individual, on seeking out their constituent colours. Students are encouraged to discover their strengths, talents, interests and passion. All the elements that come together to define their individuality. Every child will leave Ramrao Adik Public School having explored the various facets of his/her inner potential to the fullest.

Pre-Primary Wing

Flights of fancy Children are born to learn, and each child has a unique way of approaching a question. Teachers at RAPS School work with a sense of deep respect and appreciation of the child's unique abilities.

The curriculum invites children to explore their world in multiple ways. Sensory stimulation is rich and triggers investigations into themes and topics. Curiosity and interest set the tone for questions and discoveries. Children and teachers reflect on each activity and explore the underlying phenomenon together; in doing so, each child makes the experience and learning personal.

Primary Wing

The primary school programme builds upon the natural curiosity and inquiry that children exhibit at this age. It is fuelled by sensorial/ experiential exploration in languages, maths, and science, through nature, art, music, and dance. Children consolidate and connect with what they learn they enquire and explore, ponder, and question, observe, and demonstrate their learning in multiple ways.

The classrooms and bulletin boards in school reflect the energy and rigour among the students. They are an explosion of ideas, creativity, and knowledge. Each class sets its own rules for expected behaviour and limits, guided by a broader school discipline policy. Responsibilities and expectations are clearly defined by the school.

Middle School

The seeds of sound reasoning and overall development of academic rigour and discipline are sown at the primary level. With a greater ability for abstract thinking, they begin to bear fruit now. The focus on enquiry-based learning continues, as do the parallel in- depth explorations of subjects, which culminates into integrated projects. Assessments are not based merely on subject knowledge, but also on researching, organizing, presentation and application skills.

Secondary (V to VIII) Subjects

1. First Language- English
2. Marathi
3. Hindi
4. Maths
5. General Science

9. IT

Secondary & Senior Secondary School

Secondary and Senior Secondary School students need to have a wellrounded, happy experience at school so that they can learn independently, develop resilience, confidence, and maturity.

We offer different combination of subjects to our students within the realm of the State Board syllabi, we also prepare our students to gear up for various competitive examinations and they regularly participate in inter-school competitions, bringing laurels to themselves and to the school.

Our premise is that education goes beyond the four walls of the school. We aim to give our students values that would help them to be self-reliant in their decision making, responsive to changes in the environment and circumstances develop the capability of taking calculated risks where required, manage complexity, be self-directed, creative, overcurious, and sound in reasoning.

LIFE SKILLS DEVELOPMENT

CLUBS AND ACTIVITIES

- We have formed various clubs that have various activities for the creative talents in students.
- Paintings, photography, public speaking, drama, music, dance, scholarship are few of the leisure activities of these clubs. Each club has an identity, style, and agenda of its own.
- These activities under the guidance of the experienced teachers provide a proper channel for creative thinking and act as safety release for bottled up emotions and inculcate positive attitude.

LEADERSHIP AND INTERPERSONAL SKILLS

- Various educational and recreational activities are regular part of our school.
- It enables students to develop bond among themselves and develop interpersonal skills, leadership, value of sharing, caring, team work., collaboration and co-ordination.

INDEPENDENCE AND INITIATIVE

- We strongly believe in discipline and strict routine but at the same time the students has the independence to work, explore and research using his imagination and creativity.
- They are allowed to pursue hobbies and do things independently.

FAMILY AND COMMUNITY

- School is a second home for children where they live in a family of classmates, friends, teachers, learn admits natural environment yet fully equipped classrooms and grows to become what they want to be in life.

Co-Curricular Programme

Several skills and qualities that are instrumental to a child's holistic development are learnt outside the classroom. RAP School has a mandatory co-curricular programme that fully supports a child's learning process. The programme has several modules, each of which comprise of several activities for different age groups. All students at RAPS pursue different activities under each of the modules, based on their interests.

Performing Arts

This module allows students to discover and nurture a creative spirit while learning. An involvement in Performance Arts helps students to increase academic discipline and provides them with a medium for self-expression.

Creative Interests

Pursuing hobbies and interests is a great way to enhance one's personality and discover hidden talents. The diverse mix of activities under this module ensures that every child finds something that is of interest to him/her.

Calligraphy, Clay Modeling, Drawing, Gardening, Origami, Painting, Pottery

Personality Development

The importance of inter-personal and communication skills cannot be undermined in today's competitive world. These need to be instilled in a person at a young age as it gets harder to acquire them as we grow older. The offerings under this module prepare students to handle challenging social and professional situations with confidence.

Debate, Elocution, Etiquette Building, Presentation Skills, Public Speaking, Reading

Service Initiatives

In addition to becoming knowledgeable individuals, it is crucial for children to become responsible adults. Under this module, students are encouraged to put others' interests before their own and get involved in selfless service for the benefit of those around them. Community Service, Environmental Protection, Library Assistance, News Board Management, School Magazine

SPORTS & GAMES

Sports and Games

Besides nurturing their athletic talents, this module inculcates a spirit of healthy competition and team work in students. Qualified trainers and coaches monitor the progress of every child, to ensure that they learn, and excel at a wide range of sports and games.
